#### **PARTNERSHIP BETWEEN THE DEPARTMENT OF HEALTH AND SOCIAL DEVELOPMENT AND POWERFOODS**

The Department hereby confirms that it has a long standing relationship with the above-mentioned organization.

Powerfoods approached the Department of Health and Social Development in respect of a programme that will enable the partnership to achieve the following: -

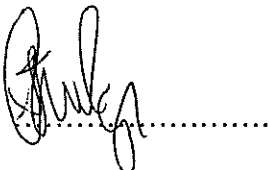

- Nutritious food to vulnerable households as identified by the Department. The Department will purchase the food from Powerfoods via funded NPO's
- Nutritious food are provided to foodbanks in order to ensure that food provided will have adhere to all the nutritious standards of the households
- Re-packaging and affordable food to households and NPO's – This project will generate an income to individuals/agents who will repack food and sell the food at affordable prices. The agents will earn an income and ensure sustainability in this regard
- Training will be provided by Powerfoods in nutrition, hygiene and business skills.

The Department is impressed with the systems in place of the organization in respect of the implementation of their programme, their reporting systems and financial controls.

The Department did not hesitate to recommend funding in the above-mentioned and will monitor the programme to ensure that objectives as stated in the above will be achieved

It will be appreciated if you could call Fanie Appelcryn at 011 355 7744 or 082 469 3102 for any additional information.

Thanking you.
